Position Overview:

We are seeking a skilled Energy Specialist with a Master's in Energy Economics to drive the strategic development and management of energy projects. The candidate will be responsible for writing and submitting fund proposals, preparing project proposals, and overseeing project implementation. The ideal candidate will have a deep understanding of energy markets, policy, and economic analysis, and demonstrate experience in renewable energy, energy efficiency, and sustainable development.

Key responsibilities:

- Proposal Writing & Fund Application
- Project Proposal Development
- Project Management & Implementation
- Energy Economics & Market Analysis.
- Stakeholder Engagement & Networking

Skills & Qualifications:

- Master's degree in Energy Economics, Masters' or Bachelors' Degree in Renewable Energy, Advanced diploma in Renewable Energy Technology, or a related field.
- Proven experience in writing successful funding and project proposals.
- Strong knowledge of energy policy, markets, and economic analysis.
- Experience in managing energy-related projects from inception to completion.
- Excellent communication skills (both written and verbal; Languages: English or French & Kinyarwanda).
- Proficient in using project management and financial analysis tools.

- Knowledge of renewable energy technologies, energy efficiency, and sustainable development.
- Strong organizational and time-management skills.
- Strong analytical and problem-solving skills.
- Ability to work under tight deadlines and manage multiple projects simultaneously.
- Excellent interpersonal and leadership skills.
- Proficiency in energy modeling tools, MS Office, and other project management software.

Benefits:

- Gain practical experience in energy economics and market analysis.
- Collaborate with an experienced team and contribute to strategic business growth.
- Opportunities for professional development and networking.
- Work on impactful projects focused on sustainability and renewable energy.
- Potential for long-term career opportunities within the company upon successful completion of the internship. (e.g: Job, etc)
