Position Overview:

We are seeking a motivated and enthusiastic Energy Business Development Intern to join our dynamic team. This internship will provide an opportunity to gain hands-on experience in the energy sector, specifically focusing on business development strategies and market analysis.

Key responsibilities:

- Assist in identifying and researching potential business opportunities in the energy sector.
- Support the development and execution of business development strategies.
- Collaborate with the team to prepare presentations, proposals, and reports for potential clients.
- Participate in market analysis to identify trends and competitive landscape.
- Contribute to project planning and management activities.
- Assist in building and maintaining relationships with stakeholders.

Skills & Qualifications:

- Master's degree in Energy Economics, Masters' or Bachelors' Degree in Renewable Energy, Advanced diploma in Renewable Energy Technology, or a related field.
- Strong interest in the energy sector and sustainable solutions.
- Excellent communication and interpersonal skills.
- Ability to work both independently and as part of a team.
- Proficiency in Microsoft Office Suite (Excel, PowerPoint, Word).
- Previous experience or internships in business development or the energy sector is a plus.

Benefits:

- Gain practical experience in energy economics and market analysis.
- Hands-on experience in a growing industry.
- Mentorship and guidance from experienced professionals.
- A collaborative and inclusive work environment.
- Opportunity to contribute to meaningful projects that impact the energy landscape in Africa.
- Collaborate with an experienced team and contribute to strategic business growth.
- Opportunities for professional development and networking.
- Work on impactful projects focused on sustainability and renewable energy.
- Potential for long-term career opportunities within the company upon successful completion of the internship. (e.g: Job, etc)
